PROFILE SUMMARY

Motivated and detail-oriented professional seeking an entry-level software development position. Proficient in C/C++, Python, and Java, with experience in building dynamic web applications using React JS and .NET Web API. Demonstrated knowledge of MySQL database management. Committed to continuous learning, professional growth, and applying problem-solving skills to deliver efficient solutions.

EXPERIENCE

Full Stack Intern   02/2023 – 07/2023
Virtusa Consulting Services pvt ltd
- Developed responsive user interfaces using React.js, enhancing the overall user experience.
- Implemented backend functionality using .NET Web API, ensuring seamless communication between the frontend and backend.
- Utilized MySQL for database design, optimization, and management of data.
- Collaborated with a cross-functional team to understand project requirements and participated in agile development processes.
- Troubleshooted and debugged issues, ensuring the delivery of high-quality software.

PROJECTS

Bike Loan Portal   02/2023 – 07/2023
This application is built to help customers to apply bike loans online.
Users of the System :
1. Customer
2. Admin
While applying for the loan, customers can fill their profile by uploading required documents and basic information. Customers have provision for submitting their reviews.
Admin can view all the loans submitted by customers and admin can either accept or reject the loan.
Technology Stack : React 16+, .Net Web API, MySQL

Machine Learning Algorithms for Fraud Detection   12/2022 – 04/2023
Implemented diverse supervised machine learning techniques to differentiate fraudulent and legitimate transactions. Conducted an exhaustive comparative analysis of decision trees, Naive Bayes, logistic regression, and multilayer perceptron models.
Technology Stack : Machine Learning, Python

SKILLS

Programming Languages : C, C++, Java, Python, JavaScript

Web Development : React js, .NET Web API, SQL, jQuery

Tools and Software : PowerBi, Microsoft Office Suite, Microsoft SQL Server

Version Control : Git & Github

Behavioral Skills : Communication, Team Collaboration, Adaptability

ACHIEVEMENTS

Attended workshop on AWS Cloud Foundations by APSSDC.

Earned Gold badge for **C++** and **Java** in HackerRank.

Earned Silver badge for **Problem Solving** in HackerRank.

CERTIFICATIONS

Programming Essentials in Python - Cisco

Oracle Certified Foundations Associate - Oracle

Microsoft Certified : AZURE Fundamentals - Microsoft

Certification in Python Programming - HackerRank

EDUCATION

Bachelor of Technology (B.Tech) in Computer Science (CS)
Bonam Venkata Chalamayya Engineering College, Odalarevu

August 2019 - April 2023

XII Standard
Aditya Junior College, Amalapuram

June 2017 - March 2019

X Standard
Vidya Bala Mandir EM High School, Kothapeta
